

**OC PARKS PETER AND MARY MUTH INTERPRETIVE CENTER
ESTUARY EXHIBIT UPGRADE SUMMARY SHEET**

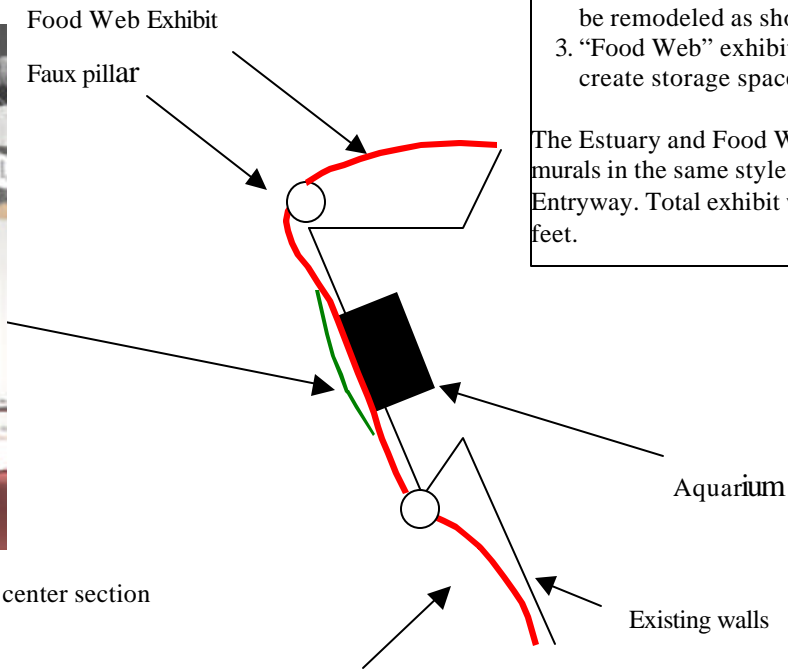

The area circled above will be renovated as follows:

1. Spectacular Entryway mural will be added. This is the Plein Air competition Area.
2. Existing "Estuary" exhibit with aquarium will be remodeled as shown.
3. "Food Web" exhibit wall will be relocated to create storage space and new exhibit created.

The Estuary and Food Web sections will have murals in the same style and palette as the Entryway. Total exhibit wall length is about 40 feet.

Architectural rendering of what the center section of the new Exhibit will look like.

Entryway (Artist Competition Area
8'0" W x 6'8" H)

Info Kiosk with LCD will be placed outside.
